General Regulations

The general rules and regulations for competition, the legal system and the anti-doping terms of the German swimming federation (DSV) are in force.

1. Conditions for Participation

The swimmers of all clubs affiliated with the DSV or any foreign club whose national swimming federation is affiliated with the FINA are authorized to take part in this competition. The nominating club guarantees that the health of its swimmers meets the requirements for competitive sports.

2. Pool

50 meter pool, eight lanes, wave-breaking lane-dividers, water temperature: 26°C, water-depth: 1.8 meter. Electronic time-keeping (time display for eight lanes).

3. Liability

The organizer takes no liability for any lost or damaged goods. Glass bottles or any other breakable items are not allowed in the pool area. Instructions of the facility personnel have to be followed.

4. Entries

Entries need to include name, given name, year of birth, gender, event number, distance, stroke and entry times. An Excel template can be downloaded at www.schwimmen.vfl-sindelfingen.de. You can also use standard formats such as lenex, topswim, dsv, etc. (templates for dsv and lenex formats are also available at www.schwimmen.vfl-sindelfingen.de). Please send your entries via Email. Please make sure to always specify an email address.

5. Address for Entries

VfL Sindelfingen Schwimmabteilung, Klosterstr. 12, 71063 Sindelfingen

phone: +49 179 / 3587638

E-Mail: meldung@schwimmen.vfl-sindelfingen.de

6. Deadline, Limitation of Entries

The entries must have reached the address specified above not later than Wednesday, **8**th **March 2017** at 6.00 pm.

The organizer reserves the right to reject entries when the total number of entries exceeds an acceptable limit. Entries will be accepted in the order of their arrival at the address specified above.

The number of swimmers in events 25 and 26 as well as 27 through 34 is limited to 16 (2 heats each). Only the 16 female and 16 male swimmers with the fastest entry times are considered. If there are less than 16 entries for event 25 or 26, the slower heats of event 25 or 26 will be backfilled with swimmers of event 26 or 25 according to the entry times. If there are swimmers with the same entry time, the entry that has reached us first is taken into account.

In case of a large number of entries for the events 25, 26, 45, 46 (800m Freestyle, 1500m Freestyle, 400m Freestyle) the organizer reserves the right to have two swimmers share one lane. In that case there will be no electronic but manual time-keeping.

7. Entry Fees

A 15.00 \in entry fee is stated for each entry for a 50, 100, 200 or 400 meter distance. If the respective time standard (see table on page 2) is achieved in the competition, the following amounts are refunded: 9.00 \in for all 50 meter distances, 8.50 \in for all 100 meter distances and 8.00 \in for all 200 meter distances as well as for the 400 meter freestyle and 400m Individual Medley. A 30.00 \in entry fee is stated for each entry for a 800 or 1500 meter distance. 20,00 \in are refunded if the individual reference time is achieved. The individual reference time for each swimmer is calculated by adding 20 seconds to the entry time of the respective swimmer.

Swimmers can only take part in competitions with a time standard for the corresponding age group.

According to the legal system of the German swimming federation, swimmers at the age of 10 (youth 2007) are allowed to participate in no more than 6 events per day.

Information for competitions 25 and 26 (800m and 1500m freestyle): The organizer reserves the right to check and modify the entry times of the TOP 8 swimmers according to the national ranking. In case of a modification the club will be informed.

If a swimmer takes part in all four 50 meter events one of the entry fees is waived (see ISSC-Sprint-Trilogy). Refunds will only be made for three (maximum) of these events.

All participating clubs will receive a listing of the entry fees (with refunds being accounted for) to be paid until 2 weeks after the meeting.

The amount of entry fees will be determined during the course oft he competition. It is therefor not necessary to pay entry fees up front!

This amount has to be transferred within 7 work days upon reception of the listing to the following account:

Account Holder VfL Sindelfingen e.V. DE29 6039 0000 0202 1660 07

BIC GENODES1BBV

Name of Bank Vereinigte Volksbank

Note to payee ISSC 2017 <name of club>

8. Deregistrations

No entry fee has to be paid for deregistrations that reach the address specified above before Wednesday, 8th March 2017 6.00 pm. For deregistrations being turned in before the individual deregistration deadline of the corresponding session, the same amount will be refunded as if the swimmer had achieved the time standard.

Deregistrations for session 1 are possible until Friday, 17th March 2017 at 8:00 pm. via Email (address for entries).

Deregistrations for sessions 2, 3 and 4 have to be turned in at the speakers' desk using the available forms for deregistrations. Deregistrations for session 2 are possible until the beginning of event 9. Deregistrations for session 3 are possible until the beginning of event 25a. Deregistrations for session 4 are possible until the beginning of event 39.

9. Entry-lists, heat- and lane-assignment

After the deadline for entries, entry-lists for all events are generated and published on www.schwimmen.vfl-sindelfingen.de.

The heat- and lane assignment of session 1 is available at the info desk on Saturday, 18th March 2017 at 8:00 am. The heat- and lane

assignment of sessions 2, 3 and 4 are available at the speakers desk one hour before the beginning of the respective session.

Information for competitions 25 and 26 (800m and 1500m freestyle): The heats of the TOP8 will be held before the finals in session 2. The organizer reserves the right that two swimmers share one lane in case of a large number of entries.

10. Judges

A portion of the entry-fee goes toward the fee for the judges. The judges are provided mostly by the organizer in cooperation with the Bezirk Mittlerer Neckar of the SVW. Participating clubs with more than 30 entries per session are asked to contribute one judge for the respective session. The lane counters for the events 25 and 26 (800m and 1500m Freestyle) have to be operated by the respective clubs.

11. ISSC-Cut-Off

The finals of the events 3 and 4 are carried out as ISSC-Cut-Offs. 3 heats will be held. The two slowest swimmers of each heat are eliminated (cut off). After three heats only two swimmers are left. These two swimmers are the ISSC-Cut-Off finalists.

12. ISSC-Pursuit-Race

At the ISSC-Pursuit-Race each of the qualified swimmers starts with a certain delay. Relevant for the starting order and the delay are the qualifying times of all qualified swimmers. Thus every swimmer gets its individual start signal by an optical device (one for each lane).

Example

If the swimmers (four male, four female) have qualified for the ISSC-Pursuit-Race with following times...

swimmer A (female)	2:23,94	swimmer A (male)	2:06,74
swimmer B (female)	2:27,50	swimmer B (male)	2:09,69
swimmer C (female)	2:39,42	swimmer C (male)	2:28,39
swimmer D (female)	2:06,64	swimmer D (male)	1:53.65

...they start in the following order with the given delays:

 swimmer C (female) swimmer C (male) swimmer B (female) swimmer A (female) swimmer B (male) 	(11,03 seconds after the previous swimmer) (0,89 seconds after the previous swimmer) (3,56 seconds after the previous swimmer) (14,25 seconds after the previous swimmer)
6. swimmer A (male)	(2,95 seconds after the previous swimmer)
7. swimmer D(female) 8. swimmer D (male)	(0,10 seconds after the previous swimmer) (12,99 seconds after the previous swimmer)

Two different ISSC-Pursuit-Races are performed (#1 und #2):

The fastest swimmers of the events 1 (23), 2 (24), 5 (21), 6 (22), 9 (17), 10 (18), 13 (19) and 14 (20) (200m freestyle, breaststroke, backstroke and butterfly) qualify For the **ISSC-Pursuit-Race #1** (if there are identical times the finalist is chosen by lot). If a swimmer is the winner of more than one of the specified events, he or she qualifies within that discipline where he or she gets more LEN points for the qualifying time. In a discipline where a swimmer does not qualify for this reason, the second fastest swimmer qualifies.

The fastest swimmers of the age groups D, C, B, and A of the events 27 and 28 (200m individual medley) qualify for the **ISSC-Pursuit-Race #2** (if there are identical times the finalist is chosen by lot).

13. ISSC-Sprint-Trilogy

All swimmers in the categories youth D, youth C and youth B, who swim at least three of the four 50 meter distances automatically take part at the ISSC-Sprint-Trilogy.

The points for the ISSC-Sprint-Trilogy are calculated from the sum of the three (best) 50 meter performances of a swimmer (based on the DSV-table). Finals are not relevant for this calculation.

14. Best club

The best club is determined from all results of all 50, 100 and 200 meter distances:

```
      1. place: 25
      2. place: 18
      3. place: 15
      4. place: 12
      5. place: 10

      6. place: 8
      7. place: 6
      8. place: 4
      9. place: 2
      10. place: 1
```

Only the fastest swimmer of a club of an event receives the specified points. The host is not participating in this best club category.

15. Categories

The categories for all 50 and 100 meter distances are: youth D (06/07), youth C (04/05), youth B (02/03), youth A (00/01) and open.

The categories for all 200 meter distances are: youth D (06/07), youth C (04/05), youth B (02/03), youth A (00/01) and juniors & older. All other distances (400, 800 and 1500 meter) are open.

16. Prices

The three fastest swimmers of each category receive **medals**. The eight fastest swimmers of each category will receive certificates.

Information for competitions 25 and 26 (800m and 1500m Freestyle): Only the three fastest swimmers of the TOP 8 will receive medals.

The three best swimmers (points) of each category within the ISSC-Sprint-Trilogy win the ISSC-Sprint-Trilogy-Cups and a price from arena.

The three fastest swimmers of the ISSC-Pursuit-Race #2 win the ISSC-Pursuit-Race-Cups and a voucher from SwimBaSE.

The club gathering the most points during the competition (see best club) wins the **ISSC-Cup**.

17. Prize Money

The victory ceremonies are part of the events. Prize money and awards of swimmers who do not appear at the respective victory ceremony fall back to the organizer.

ISSC-Cut-Offs (50m freestyle Finals): total 325 €

The 3^{rd} swimmer in the second last heat gains 25 €. In the final (last heat) 300 € are distributed: 200 € are splitted, whereas the winner gets one euro more for each hundredth he or she has a lead over the second swimmer. Additionally the winner as well as the runner-up receive a bonus of 50 €. The winner thus can win up to 250 €.

Example: If the winner has a lead of 35 hundredth over the second swimmer, the winner gains $50 \in +117,50 \in =167,50 \in and$ the second swimmer $50 \in +82,50 \in =132,50 \in and$

¹ Qualifying time is the time achieved in the preliminary heats, except in the case that this time is more than 2 seconds slower than the entry time. In this case the qualifying time will be the entry time plus 2 seconds www.schwimmen.vfl-sindelfingen.de

- ISSC-record: 100 €
- Events 27 through 34 (50m kicks) do not qualify for championship records. These events will therefore be exempted from the prize money rules.

18. Special Regulations for events 27 through 34

For the events 27 through 34 (50m kicks) the following rules have to be adhered to:

- Starting position is in the water
- One hand has to reside on the grips of the starting block used for the backstroke starts. The other hand resides on the kick board, holding the board around the front edge from the top
- Both feet have to be placed on the wall
- After the start signal both hands must be placed on the board immediately, holding it around the front edge from the top
- During the whole race both hands must hold the board around the front edge from the top. To finish the race the board has to touch the wall.
- Backstroke kicks will be carried out without kick board using alternating kicks and a regular backstroke start, including up to 15m of simultaneous kicks ("butterfly kicks on the back"). Arms are straightened out in front of the head. To finish the race the swimmer has to touch the wall with an upper part of the body.
- Freestyle kicks will be carried out on front using alternating kicks. Breaststroke kicks or butterfly kicks are not allowed
